aniketsharma5172 sharmaaniket5172 SHARMAANIKET2K1

Profile

Motivated and ambitious Full Stack Developer with a strong foundation in both front-end and back-end technologies. Proficient in HTML, CSS, JavaScript, and modern frameworks like React.js for building dynamic and responsive web applications. Skilled in server-side development with Node.js and Express, as well as database management with MongoDB and SQL. Eager to apply my knowledge and passion for coding to develop innovative solutions and gain practical experience in a collaborative environment. Committed to continuous learning and staying updated with the latest industry trends and best practices.

Areas of Expertise

Proficient in HTML, CSS, JavaScript, and React.js for front-end development. Skilled in back-end technologies like Node.js, Express.js, and MongoDB. Experienced with Git for version control. Familiar with Agile methodologies and test-driven development. Strong problem-solving abilities and effective team collaboration skills
